Tom  
GORES

Owner

Tom Gores is owner of the Detroit Pistons and Chairman and CEO of global investment firm Platinum Equity. A graduate of Michigan State University who grew up in Flint, MI, Gores has substantial family and business ties to the region. His wife, Holly, a Michigan native who also graduated from Michigan State, has deep roots in the area and both are actively involved in the local community. Gores has often described the Pistons as a "community asset" with the power to unite and inspire people in Detroit and throughout Michigan.

In his most impactful move since acquiring the franchise in 2011, Gores returned the Pistons to downtown Detroit in 2017 and in 2019, opened the Henry Ford Detroit Pistons Performance Center - a state-of-the-art practice facility and corporate headquarters. This year, the franchise welcomes the Motor City Cruise and NBA G League to Detroit for their inaugural season at the new Wayne State Arena on the campus of Wayne State University. The franchise's partnership and activation on three new basketball venues has brought more investment and economic activity to the city and a comprehensive community benefits package that is aiding Detroit's neighborhoods.

The club's performance center is one of the top sports medicine, practice facility and team headquarters complexes in the NBA. Located in the New Center area of Detroit, the state-of-the-art training facility connects to the Henry Ford Health System Center for Athletic Medicine complex that houses physicians and researchers specializing in rehabilitative treatment, injury diagnosis and prevention. The integration of sports science and research with day-to-day player training sessions provides Pistons players with a substantial competitive advantage and ensures the franchise has the best tools available anywhere for maximizing player development and attracting and retaining top talent. Serving the public interest, the facility includes retail spaces that create jobs and make the neighborhood an even more attractive place to live and work. Michigan-based grocer Plum Market opened its first café and market location in Detroit on site and Planet Fitness is slated to open a publicly accessible gym this winter.

While continuing to maximize the franchise's business and community impact off the court, Gores added firepower to the team's front office with the 2020 hiring of General Manager Troy Weaver. Known as one of the NBA's elite young talent evaluators, he enters year two of his tenure as the club's lead basketball operations executive with a mandate from Gores to create a progressive, dynamic organization that blends proven, hard-earned experience with the best of modern, cutting-edge practices. Weaver got right to work in his first year by selecting Killian Hayes with the No. 7 pick of the 2020 NBA Draft and acquiring two additional first-round picks (No. 16 – Isaiah Stewart and No. 19 Saddiq Bey) and a second-round selection (No. 38 – Saben Lee) via trades. He attacked free agency with similar aggressiveness by adding Denver 2020 playoff standout Jerami Grant as part of a sign-and-trade transaction. Having completely turned over the roster in year one – the Pistons won the NBA Draft Lottery this past offseason and with the No. 1 selection in the 2021 NBA Draft, the club selected Oklahoma State's Cade Cunningham. Weaver added Michigan's Isaiah Livers and Iowa's Luke Garza in the second round and bolstered the team's veteran leadership with free agent acquisitions Kelly Olynyk and Cory Joseph.

Weaver's moves have been widely praised throughout NBA circles, and he forms a powerful front office duo with former NBA Coach of the Year Dwane Casey, who's contract was extended this offseason. An experienced, highly respected head coach who took the Toronto Raptors franchise to new heights and is known for his ability to develop and maximize young talent, Casey was attracted to Gores' vision for the franchise and its prospects for the future. After leading the club to the 2018 NBA Playoffs in his first year in Detroit, Casey will utilize his well-documented player development skills to guide a young team and implement his free-flowing offense system and fundamental defensive principles.

Off the court, Gores and his organization have remained equally committed to making an impact in the community. Gores, Pistons' Vice Chairman Arn Tellem and the Detroit Pistons Foundation have made significant commitments to many local charitable organizations, including S.A.Y. Detroit Play Center, Boys and Girls Club of Southeast Michigan, the Detroit Police Athletic League, City Year, Grow Detroit's Young Talent, the Bing Youth Institute/BINGO Mentoring Program, Forgotten Harvest, Detroit Symphony Orchestra, HAVEN and the Jalen Rose Youth Academy. The basketball team also supports a wide-range of community programs through NBA Cares that focus on health and fitness, education, military, special needs, Black History and the environment. Since its inception in 2005, the NBA Cares program has generated more than \$105 million for charity, donated over 950,000 hours of hands-on volunteer service and built more than 415 places where kids and families can live, learn or play.

As the NBA and sports teams continue to play an important role in championing social justice efforts and equity initiatives, the Detroit Pistons stepped to the forefront in driving civic engagement around the 2020 general election. The Pistons were the second professional sports team to offer their practice facility and team headquarters for election purposes, utilizing the Henry Ford Detroit Pistons Performance Center as a receiving board with over 150 employees volunteering and serving as election workers. The club also worked with the Detroit City Clerk to install a secure drop box giving voters the ability to cast early ballots safely and securely, utilized players and legends to produce voting PSA's and hosted community events to drive voter registration. As the upcoming season moves forward, the organization will continue to build bridges by connecting local youth and law enforcement as part of a partnership with PeacePlayers and strengthen existing non-profit relationships that educate, support inclusion and create opportunity and equality.

Gores and the Pistons are investing \$2.5 million over six years for a City Court Rehabilitation project in partnership with the City of Detroit Recreation Department, which will oversee the construction, renovation and refurbishment of 60 basketball courts in parks throughout Detroit. In 2016, Gores launched FlintNOW, a \$10 million private sector campaign to support short- and long-term relief and revitalization initiatives in response to the Flint water crisis. FlintNOW has cultivated relationships with dozens of key stakeholders and deployed resources to programs focused on immediate relief, healthy food and nutrition, education and long-term economic revitalization. The Pistons have been active in their support of FlintNOW, as have many other businesses. Other FlintNOW partnerships include a \$25 million economic development program launched with Huntington Bank, a healthy foods initiative created with the National Basketball Players Association, and numerous campaigns that have provided millions of dollars in support to local Flint charitable organizations. In August of 2017, Gores and former Consumers Energy President and CEO Patti Poppe announced a \$2 million commitment to help fund the creation of a Flint Promise scholarship program. The privately funded scholarships launched for the 2018-19 school year. Furthering Gores' long-term vision to impact young people his hometown, he recently brought the nationally renowned Vision To Learn program to Flint in May 2018, providing free eye exams and glasses to students in need across Flint Community Schools.

Strong relationships, trust in people and open communication are hallmarks of Gores' approach and have been fundamental to the success of Platinum Equity, the investment firm he founded in 1995. Under his leadership, Platinum Equity has grown into a multibillion-dollar investment firm with a diverse, global portfolio of operating companies in a wide range of different industries. The firm has approximately \$23 billion of assets under management and its portfolio comprises approximately 40 operating companies generating more than \$25 billion in revenue. Platinum Equity has invested in many Michigan-based companies in a range of different industries, including automotive, transportation and logistics, and boat manufacturing.

Gores' focus on operational execution is a hallmark of Platinum Equity's approach. The firm employs a highly specialized strategy it calls M&A<sup>®</sup> that integrates investment expertise with deep operational capability and resources. Its focus on operational execution is a signature of Platinum Equity's differentiation in the global M&A marketplace.

Gores' attention to detail and commitment to executing on fundamentals can be traced back to his early experience in learning to run a business from the ground up. He started out in the software industry as an entrepreneur who founded a successful business that provided inventory and supply chain management solutions to the lumber industry. As a small business operator, where companies often trade principally on their good word and ability to follow through on what they promise, Gores learned the importance of empowerment, hard work and integrity – principles that guide him still today.

Born in Nazareth, Israel, Gores (57) moved with his family at age four to Genesee, MI, where he grew up and went to high school. He worked his way through college, earning a Bachelor's degree from Michigan State in 1986. He and Holly have three children and reside in Beverly Hills, CA. The family also maintains a residence in Birmingham, MI.

Gores is a long-time supporter of initiatives focused on education, health care and the arts. He also has a deep passion for youth sports, having coached numerous soccer and basketball teams and funded a broad range of sports-related programs that teach kids valuable lessons about teamwork, leadership and commitment.

# Arn TELLEM

Vice Chairman

Arn Tellem is Vice Chairman of the Detroit Pistons basketball franchise. Mr. Tellem, who reports to owner Tom Gores, joined the organization in August 2015 following a distinguished career as one of the top player agents in professional sports.

As a representative of ownership, Mr. Tellem has broad responsibility for business and basketball strategy, planning and development, and strengthening the connection between the Pistons and the community. He is responsible for league-related initiatives as one of the team's Alternate Governors on the NBA Board of Governors. In 2017 he served as Mr. Gores' point man and chief negotiator in the successful bid to bring the franchise back to the city to play after a 39-year absence. Two years later, Mr. Tellem oversaw the organization's complete move to downtown Detroit with both the basketball and business arms of the company occupying the newly constructed, state-of-the-art, Henry Ford Detroit Pistons Performance Center. This year, he executes another key piece of Mr. Gores' vision for Detroit and the Pistons franchise as the Motor City Cruise will make their NBA G League debut at a sparkling state-of-the-art new arena on the campus of Wayne State University.

Mr. Gores describes Mr. Tellem as "one of the most accomplished and respected sports executives in the world" and says he "shares my belief that sports can be a catalyst for change in the community."

A graduate of the University of Michigan Law School, Mr. Tellem has said the opportunity to contribute to the region's revitalization was a key factor in his decision to join the Pistons.

"I'm excited by the potential in Detroit and throughout the region – in commerce, the arts and on the basketball courts and playing fields. It's been a privilege to spend so much of my life helping guide the careers of professional athletes, but making a difference to a community gives you a deeper sense of purpose."

To that end, Mr. Tellem has spearheaded a number of community partnerships that earned the organization national recognition. Committed to making an impact in the city of Detroit and the metro region, the club's community relations efforts were recognized nationally by ESPN as a finalist for the ESPN 2016 Sports Humanitarian Team of the Year Award. Mr. Tellem, Mr. Gores and the Detroit Pistons Foundation made significant commitments to, and forged and strengthened relationships with S.A.Y. Detroit Play Center, Boys and Girls Club of Southeast Michigan, the Detroit Police Athletic League, City Year, Grow Detroit's Young Talent, the Bing Youth Institute/BINGO Mentoring Program, Forgotten Harvest, HAVEN and the Jalen Rose Youth Academy. The main objective: to involve players, coaches and administrators during yearly events with each organization. The Pistons maintain a wide range of community programs through NBA Cares, addressing health and fitness, education, military, special needs, Black History and green initiatives. NBA Cares programs and participants have provided more than 5 million hours of hands-on service and created more than 1,300 places where kids and families can live, learn or play in communities around the world.

A long-time board member of PeacePlayers International and Seeds of Peace, Mr. Tellem lends his time and supports the organization's efforts to bring together children from conflict regions to promote tolerance and understanding. Using basketball to bridge barriers, PeacePlayers International operates year-round programs in South Africa, Northern Ireland, Cyprus, Israel and the West Bank. As the Pistons looked to unite Detroiters and advance social justice initiatives, Mr. Tellem brought PeacePlayers to Detroit and instituted a localized program connecting youth, community leaders and law enforcement to build bridges and share ideas on creating stronger relationships in the community.

Mr. Tellem has represented more than 500 professional athletes in his career, including numerous former Detroit Pistons. He joined PSE following nine years at Wasserman Media Group, where he served as Vice Chairman and oversaw the Team Sports Division. In 1989, he founded Los Angeles-based Tellem & Associates, which was acquired in 1999 by SFX Entertainment, the world's largest producer and marketer of live entertainment. Mr. Tellem served as Chief Executive Officer of SFX Sports until he joined Wasserman.

Mr. Tellem began representing professional baseball and basketball players in the early 1980s. Before that, he was a partner at the law firm Manatt, Phelps and Phillips, where he specialized in sports law and commercial litigation. Mr. Tellem also served as Executive Vice President and General Counsel for the NBA's Los Angeles Clippers between 1982 and 1988.

In 2006, Sports Business Journal named Mr. Tellem the Most Influential Agent in Sports and The Sporting News named him "Most Influential Sports Agent." In 2004 and 2005, he was the only NBA player agent named as one of The Sporting News' "50 Most Influential People in Sports Business." Mr. Tellem was recognized as the industry's top agent by the magazine in 2003, 2004, 2005 and 2006. In 2008, Sports Business Journal ranked him second among sports agents. Two years later Business Insider named Mr. Tellem one of the world's four "best" sports agents. In 2013, Forbes ranked him the third most powerful agent in sports; and first in basketball.

A member of the American Bar Association and the State Bar of California, Mr. Tellem served as an adjunct professor at the University of Southern California School of Law and is frequently invited to lecture on issues related to sports law and business. He received his bachelor's degree from Haverford College in 1976 and his J.D. degree from the University of Michigan Law School in 1979.

From 2009 to 2010 Mr. Tellem wrote a semi-weekly sports column for *The Huffington Post*. He has also written for *Sports Illustrated*, the Op-ed page of the *New York Times*, the *Detroit Free Press* and the *Japan Times*. Active in the Detroit business and philanthropic community, he will serve as chairman of the 2022 Mackinac Policy Conference hosted each year by the Detroit Regional Chamber of Commerce. The conference brings Michigan leaders from business and politics for four days of keynote speeches and ideation on advancing prosperity throughout the state.

Mr. Tellem is married to Nancy Tellem, the former entertainment and digital media president of Microsoft and a onetime president of CBS Television Studios, formerly CBS Paramount Television. They met in 1974 while both were summer congressional interns in Washington, D.C. The couple has three grown sons: Michael, Matty and Eric.

# Troy WEAVER

General Manager

Troy Weaver was named general manager of the Detroit Pistons on June 18, 2020. In his role, he oversees all of basketball operations for the Pistons.

Weaver, 53, joined the Pistons after 12 seasons with the Oklahoma City Thunder (OKC), including his last three-plus seasons as the club's Vice President of Basketball Operations. Previously, he served eight seasons as Vice President/Assistant General Manager with responsibilities that included coordinating player-personnel matters, NBA Draft preparation, free agency planning and summer league roster construction and was a critical part of the Thunder's success for more than a decade.

Weaver joined the Thunder in May 2008 and was tasked with helping to develop the roster and assist in day-to-day basketball operations for the organization. During his time in OKC, the Thunder recorded a 578-434 (.571) regular season record and made 10 postseason appearances, including four trips to the Western Conference Finals and a trip to the 2012 NBA Finals. The Thunder recorded above-.500 records in 11 of the 12 seasons Weaver spent in their front office, recorded 45-plus wins in 10 straight seasons (2009-19) and finished 44-28 in the COVID-19-altered 2019-20 NBA. Despite losing superstars James Harden (2012), Kevin Durant (2016), Paul George (2019) and Russell Westbrook (2019), Weaver and the Thunder's front office made moves to retool its roster and remain competitive. They were able to acquire veteran point guard Chris Paul in the Westbrook deal and Shai Gilgeous-Alexander, who had a breakout 2019-20 season, as part of the George trade. The Thunder were also able to load up on future first-round draft picks as parts of those, and other, deals.

Weaver, known for his expertise in talent evaluation, wasted little time in revamping the Pistons roster for the 2020-21 season. In his first NBA Draft as general manager, he selected Killian Hayes, a guard from France, with the seventh overall pick in the 2020 draft. He then acquired two first-round, and a second-round, picks through trades and drafted Isaiah Stewart (16th), Saddiq Bey (19th) and Saben Lee (38th). Weaver continued the roster overhaul with an aggressive approach in free agency and landed forward Jerami Grant, a highly sought-after free agent, in a sign-and-trade deal with the Denver Nuggets. Grant finished second in the 2020-21 NBA's Most Improved Player voting while Bey and Stewart were named First and Second Team All-Rookie selections, respectively. Additionally, centers Mason Plumlee and Jahlil Okafor, and forward Josh Jackson, were signed to free-agent deals. Both Okafor and Jackson were top-five NBA selections in their respective drafts. To complement the young additions to the roster, Weaver added veterans Wayne Ellington via free agency and Delon Wright and Rodney McGruder in trade deals. Weaver kept busy during the season by acquiring Hamidou Diallo from the Thunder in exchange for Svi Mykhailiuk and prying Cory Joseph from Sacramento for Wright.

In his continuous effort to "restore" the Pistons' franchise, Weaver's 2021 offseason started off with his selection of Cade Cunningham with the first overall pick in the 2021 NBA Draft. He then drafted Isaiah Livers (42nd) and Luka Garza, the unanimous 2020-21 National Player of the Year, with the 52nd overall pick. He then attacked free agency by signing Kelly Olynyk and Trey Lyles while re-signing Diallo, Joseph, McGruder, Frank Jackson and Lee, who both played on two-way contracts in 2020-21.

Weaver's shrewd moves has laid a strong foundation for the franchise and positioned the Pistons on a path for sustained success. In addition to accumulating young talent, the front office's strategic planning is set up to create substantial cap space in the near future.

A seasoned NBA front office veteran, Weaver's NBA career began with the Utah Jazz where he was head scout from 2004-07. He was then promoted to director of player personnel for the Jazz and held that position from 2007-08 before joining the Thunder.

Prior to joining the Jazz, Weaver spent four seasons (2000-04) as an assistant coach at Syracuse University. The Orangemen won the 2003 NCAA National Championship led by freshman Carmelo Anthony, who was recruited by Weaver. He also served as a collegiate assistant coach at Pittsburgh (1996-99) and New Mexico (1999-00). As a head coach on the AAU circuit, Weaver compiled an 85-17 record and guided the DC Assault to the 1996 AAU Tournament of Champions.

Weaver, a Washington, DC native, graduated from Prince George's Community College (MD) in 1991, where he played one season of basketball and also attended Bowie State University. He and his wife, Angela, have three children; Taylor, who graduated from Syracuse University with a BA and earned a master's degree from George Washington University, Troy Jr., also graduate of George Washington University, and Thomas, a sophomore at Howard University.

# Ed STEFANSKI

Sr. Advisor to Owner, Tom Gores

Ed Stefanski was named senior advisor to owner Tom Gores on May 24, 2018.

With Stefanski at the helm, the Pistons returned to the NBA Playoffs in 2019 for the first time since 2016-17 after going 41-41. The 41 wins marked the second-most by the team in the previous 10 seasons while 26 home wins tied for the most in the last decade as well.

A seasoned executive, Stefanski adds two-plus decades of NBA front office experience to the club. Prior to joining the Pistons, Stefanski spent four years with the Memphis Grizzlies as an executive vice president. Previously, Stefanski held management positions with the Toronto Raptors, Philadelphia 76ers and New Jersey Nets. During Stefanski's tenure in Memphis, the Grizzlies made three postseason appearances, including a trip to the 2015 Western Conference Semifinals.

Immediately after his hiring, Stefanski went to work in reshaping the Pistons' roster by drafting Bruce Brown from the University of Miami with the 42nd overall pick in the 2018 NBA Draft. He then acquired Kyri Thomas (drafted 38th overall by Philadelphia in the 2018 NBA Draft from Creighton University) on draft night in exchange for two future second-round picks and added veteran leadership to the roster by signing free agents Zaza Pachulia and Jose Calderon in July. Stefanski and his team continued to retool the roster at the 2019 NBA trade deadline by acquiring Thon Maker from the Milwaukee Bucks in exchange for Stanley Johnson in a three-team trade which saw Johnson go to New Orleans and Nikola Mirotic to the Bucks. Detroit then acquired rookie swingman Sviatoslav Mykhailiuk from the L.A. Lakers, along with a future second-round pick, for guard Reggie Bullock. When veteran guard Wayne Ellington became available after being bought out by the Phoenix Suns, Stefanski successfully signed the free-agent shooting specialist to bolster the team's 3-point shooting. That move helped the Pistons reach a team-record in 3-pointers made (993) and attempted (2,854) and an eventual playoff appearance.

Stefanski kept active during the 2019 offseason by first drafting Sekou Doumbouya from France with the 15th overall pick in the 2019 NBA Draft. He then completed a trade with the Milwaukee Bucks acquiring forward Tony Snell and the draft rights to Kevin Porter Jr. in exchange for Jon Leuer. Stefanski continued the roster's rebuild in free agency by signing former NBA MVP Derrick Rose, Markieff Morris, Tim Frazier, Christian Wood.

When the Pistons were hit by injuries early in the 2019-20 season, the team pivoted and started planning for the long-term future. Under Stefanski's watch, the Pistons began creating significant cap space by trading Andre Drummond to the Cleveland Cavaliers for a future second-round pick and Brandon Knight and John Henson, who were both on expiring deals. The franchise then reached a deal to buy out the contract of Reggie Jackson.

Stefanski, along with Pistons Vice Chairman, Arn Tellem, spearheaded the Pistons' search for a general manager in 2020 which, officially, landed Troy Weaver on June 18, 2020.

Stefanski served two seasons (2011-13) as executive vice president of basketball operations with the Raptors. With Stefanski in the front office, Toronto began the process of reshaping the franchise around the trade acquisition of eventual NBA All-Star Kyle Lowry and 2012 draft pick Jonas Valanciunas.

Prior to his time in Toronto, Stefanski spent four seasons (2007-11) as president and general manager of the 76ers, where he helped return the franchise to the postseason through re-signing key players such as Andre Iguodala, adding talent through the draft lottery and shrewd drafting of mid-first round picks in the NBA Draft. Selections such as Marreese Speights (16th overall in 2008), Jrue Holiday (17th overall in 2009), consensus NCAA Player of the Year Evan Turner (2nd in 2010) and Nikola Vucevic (16th in 2011) helped guide the 76ers to the NBA Playoffs three times during Stefanski's tenure. Before coming to Philadelphia, Stefanski served nine seasons (1998-2007) with the Nets where he oversaw the team's basketball operations and was heavily involved in the team's roster development and player personnel matters. He was promoted to general manager in 2004 following a one-year term as senior vice president of basketball operations and four seasons as director of scouting.

Stefanski was instrumental in the Nets' back-to-back Eastern Conference Championship teams in 2002 and 2003. He played a significant role in drafting Kenyon Martin with the top overall selection in the 2000 NBA Draft and a 2001 draft-night deal in which the Nets acquired Richard Jefferson, Jason Collins and Brandon Armstrong from Houston. Three of those players (Martin, Jefferson and Collins) developed into starters for the Nets' 2002-03 Eastern Conference Championship squad. In 2004, Stefanski acquired multiple All-Star Vince Carter from Toronto. Carter and Jefferson rank third and fourth, respectively, among Nets career leaders for points scored.

A 1976 graduate of the University of Pennsylvania (Wharton School of Business), Stefanski played three seasons for Penn, where he was coached by Hall of Famer and Pistons great Chuck Daly. He was a member of two Ivy League Champions (1974 and 1975) and helped the Quakers reach the NCAA Tournament in both of those seasons. Stefanski was drafted by Philadelphia in the 10th round of the 1976 NBA Draft.

While in college, Stefanski founded and secured funding for the Philadelphia Housing Authority's Inner City Basketball League, which provided a structured basketball environment for hundreds of boys and girls living under the Housing Authority. The Housing Authority later celebrated his efforts with a special recognition award, commending his contributions to the youth of Philadelphia. Stefanski also enjoyed a 20-year run (1979-98) as a color analyst for Big Five basketball and ESPN's Atlantic 10 Basketball coverage.

Stefanski and his wife, Karen, have four children: Edward Jr., Kevin, head coach of the Cleveland Browns, Matthew and David.

## CASEY'S BASKETBALL CAREER

2018-	Detroit Pistons .....	Head Coach
2012-2018	Toronto Raptors .....	Head Coach
2008-2011	Dallas Mavericks .....	Assistant Coach
2005-2007	Minnesota Timberwolves .....	Head Coach
1994-2005	Seattle SuperSonics .....	Assistant Coach

Dwane Casey was named head coach of the Detroit Pistons on June 11, 2018 after seven years at the helm with the Toronto Raptors. Casey came to Detroit after being named 2018 Coach of the Year by the National Basketball Coaches Association (NBCA) and being honored as the 2018 NBA Coach of the Year as voted upon by national media covering the NBA.

In his first season with the Pistons, Casey led Detroit back to the postseason for the first time since 2016 with a 41-41 record. The 41 wins marked the second most by the franchise in a decade while 26 home wins tied for the most in the previous decade as well. Under Casey's leadership, the Pistons set a franchise record in 3-pointers made (993) and attempted (2,854) and made 20 3-pointers in three games. The 20 threes marked the second-most by a Pistons team in a game. Casey's offense allowed for a franchise record five Pistons to record 100-plus 3-pointers on the season with each connecting on a single-season career-high [Blake Griffin (189), Reggie Jackson (174), Langston Galloway (135), Reggie Bullock (114) and Luke Kennard (106)]. Detroit also averaged 107.0 points per game which were the most by a Pistons team since 1987-88. Both Griffin (24.5 ppg) and Andre Drummond (17.3 ppg) flourished in Casey's offense resulting in career-high scoring marks and a return to the All-Star game by Griffin. Additionally, the Pistons' defense ranked seventh in points allowed and ninth in 3-point field goal percentage (.345).

An injury-plagued 2019-20 season saw the Pistons finish 20-46 in the COVID-19-shortened season. Several key players including Griffin (18 games played), Jackson (14 games played) and Luke Kennard (28 games played) missed significant time due to injuries. Drummond was traded to the Cleveland Cavaliers on February 6 while the organization and Jackson reached an agreement on February 18 on a buyout.

Casey's development work with young players was once again evident in the play of Christian Wood, Bruce Brown and Svi Mykhailiuk. In a career-high 62 games, Wood averaged 13.1 points and 6.3 rebounds while shooting a career-best 57% from the field. He averaged 22.8 points and 9.9 rebounds in 13 games since the Drummond trade. Brown averaged career highs in points (8.9), rebounds (4.7) and assists (4.0) while Mykhailiuk averaged a career-high 9.0 points, connected on a single-season-best 115 3-pointers and shot 40% from beyond the arc.

With the acquisition of Jerami Grant, via free agency, and Killian Hayes, Isaiah Stewart, Saddiq Bey and Saben Lee, in the 2020 NBA Draft, Casey was tasked with grooming the organization's core young players during the 2020-21 season. Under Casey's tutelage, Grant played to a near-all-star level and finished second in the NBA's Most Improved Player voting. He averaged a career-high 22.3 points to go along with 4.6 rebounds and career-high 2.8 assists per game. Bey was named to the NBA All-Rookie First Team after averaging 12.1 points, 4.5 rebounds and 1.4 assists. He connected on a franchise-rookie record 175 3-pointers which ranked tied for fourth all-time in Pistons history in a single season. Stewart was named to the NBA All-Rookie Second Team following a rookie campaign which saw him finish with averages of 7.9 points, 6.7 rebounds and 1.3 blocks per game. He led all rookies in rebounds and blocks and his 453 rebounds were the fourth most by a Piston rookie since 1990.

While with the Raptors, Casey led the Raptors to four Atlantic Division Championships and a franchise record five consecutive postseason appearances from 2014-18. Under his leadership, Toronto recorded the franchise's first 50-win season in 2015-16 and proceeded to amass three consecutive 50-win seasons, including a franchise record 59 wins in 2017-18. He was also selected as the Eastern Conference head coach at the 2018 NBA All-Star Game in Los Angeles, CA and led Team LeBron to a win over Team Stephen. Casey left the Raptors as both the franchise's all-time winningest coach, with a 320-238 regular season record, and their longest tenured coach.

The Raptors posted their second 50-win season in 2016-17, despite missing All-Star point guard Kyle Lowry for 21 games. Casey earned his fourth Eastern Conference Coach of the Month honor in December when the Raptors averaged a conference-best 112.1 points with a +11.1-point differential. Toronto also finished the month ranked second defensively, holding opponents to 101.1 points per game. He became the only coach in franchise history to earn the Coach of the Month award multiple times (December 2017, December 2016, January 2016, November 2014 and December 2013).

In 2015-16, Casey directed the Raptors to their fourth Atlantic Division championship and set a then-team record with 56 victories. It marked the first time in franchise history the Raptors had topped 50 wins in a season and Toronto finished second in the Eastern Conference, the highest position in franchise history. Casey showed an ability to adapt and still be successful as he was missing two-fifths of his starting lineup for more than 60 games and started a rookie for 20 games following the NBA All-Star break. He guided the Raptors to a 12-2 mark, setting a team record for wins in January and the best winning percentage (.857) in a month with 10 or more games. The Raptors won a franchise-best 11 consecutive games (January 6-30) and swept a seven-game home stand for the first time in team history.

The Casey-led Raptors picked up a second consecutive Atlantic Division championship and 49 victories in 2014-15. His club had sole possession of first place in the Eastern Conference for the first time in team history and remained there from November 4 – January 1. The defensive-minded Casey showcased an up-tempo offense that set a franchise best with 726 made 3-pointers and was the second-highest scoring unit in team history. They also finished in the top 10 in the league for fewest turnovers for a third straight season.

Toronto recorded 48 wins in 2013-14, won an Atlantic Division championship and locked up the third overall seed in the Eastern Conference. Casey's squad also set a franchise record with 22 road wins and matched an all-time high with 16 victories against Western Conference opponents. Casey continued his emphasis on the defensive end of the court as Toronto ranked in the top 10 in points allowed (98.0, 6th) and opponent field goal percentage (.450, 10th).

During the 2012-13 campaign, Casey and his coaching staff oversaw the development of a youthful core of players including DeMar DeRozan, Amir Johnson, Jonas Valanciunas and Terrence Ross. DeRozan established career highs in points, rebounds, assists and minutes, Johnson posted career bests in points, rebounds, assists, steals, blocks and minutes and Valanciunas earned NBA Eastern Conference Rookie of the Month honors.

In his first season with the Raptors (2011-12), Casey took a Raptors team that ranked near the bottom of the NBA in every defensive category and transformed the identity producing desirable results. The Raptors finished the season as the league's leader for greatest improvement in opponent field goal percentage and opponent scoring. Toronto ranked in the top 10 in fewest points allowed (9th), opponent field goal percentage (8th) and 3-point field goal percentage (5th). The team finished in the bottom third of the league in all three categories in the previous season.

Casey, 64, has served as a head coach, associate head coach and assistant coach in the NBA for 24 seasons. He has coached in two NBA Finals (1996 and 2011) and three NBA All-Star Games (1996, 1998 and 2018).

Casey spent three seasons (2008-11) as an assistant coach with the Dallas Mavericks. The Mavericks posted a 162-84 (.659) mark during that span, winning 50 or more games in each of Casey's three seasons with the team. Casey was in charge of a defensive unit that held its opponents to 96.0 points per game (6th in the NBA) and 45.0% shooting from the field (8th in the NBA) in the 2010-11 regular season. In the 2011 postseason, Casey's defense posted series victories over offensive powers the likes of Kobe Bryant, Kevin Durant, Russell Westbrook, LeBron James and Dwyane Wade. Dallas held its playoff opponents to 92.5 points per game and defeated the Miami Heat 4-2 in the Finals to capture the 2011 NBA Championship.

Casey's first NBA head coaching job came with the Minnesota Timberwolves where he served from 2005-07. After going 33-49 in his first season, Casey had the club in playoff contention with a 20-20 record when he was replaced on January 25, 2007.

Casey began his NBA coaching career in 1994 as an assistant with the Seattle SuperSonics. He spent 11 seasons with the Sonics where he served under longtime NBA head coaches George Karl, Paul Westphal and Nate McMillan. He was promoted to associate head coach in November 2000. Nine of his teams in Seattle finished above .500 with five winning 50 or more games. The 1996 Sonics squad won the Western Conference Championship after finishing the regular season with a franchise record 64 victories.

In 14 seasons as an NBA assistant, Casey's teams have registered a 689-427 mark (.617) with eight campaigns of 50 or more wins. His teams have qualified for the playoffs in 11 of those 14 seasons.

Prior to joining the Sonics, Casey spent five years as a head coach in Japan. He also coached Japan's National Team with basketball legend Pete Newell. In the summer of 1998, Casey coached the team to its first World Championship appearance in 31 years.

From 1985-89, Casey was an assistant under legendary collegiate coach Eddie Sutton at the University of Kentucky. The Wildcats posted a 90-40 mark during that span. He also served as an assistant under Clem Haskins at Western Kentucky University from 1980-85.

Casey began his coaching career at Kentucky in 1979 as a graduate assistant under Joe B. Hall. While at Kentucky, he recruited and coached eventual NBA players Winston Bennett, Sam Bowie, Rex Chapman, LeRon Ellis, Shawn Kemp, Chris Mills, Dirk Minnifield, Irving Thomas and Melvin Turpin.

Casey played collegiately at Kentucky and helped the Wildcats register a 30-2 record in his junior season and capture the 1978 NCAA Championship. A four-year letterman, Casey was named team captain his senior year and won Kentucky's all-academic award.

A native of Morganfield, Kentucky, Casey earned a degree in business administration from Kentucky in 1979. He was inducted into the Kentucky Sports Hall of Fame on September 7, 2021. Casey and his wife, Brenda, have a daughter, Justine, and son, Zachary.

## BUSINESS OPERATIONS

Mike  
ZAVODSKY

Chief Business Officer

Mike Zavodsky was named chief business officer of the Detroit Pistons on June 24, 2020. In his current role, he oversees all business unit, sales and marketing operations for the organization.

Since his arrival in Detroit, Zavodsky has spearheaded a revamp of the Pistons' corporate partnership, ticket sales and marketing verticals. The organization entered a new multi-year agreement with United Wholesale Mortgage (UWM) as the official jersey sponsor of the team and established partnerships with other leading national brands. Detroit was the first professional sports team to craft partnerships with Fan Duel and Draft Kings and entered a unique corporate sponsorship with Shopify to engage, assist and promote local Detroit small business. On the marketing side, the Pistons developed a new "D-UP" brand campaign, launched merchandise partnerships with Legends and Fanatics and executed the introduction of two new secondary logos. New "313" and "DET" logo marks helped launch the transition of lifestyle merchandise offerings under the organization's private label "DETail Threads."

Zavodsky, 38, has a broad range of sports and entertainment experience, having spent a year, prior to joining the Pistons, leading the commercial sales, marketing, and PR efforts for Roc Nation in the US. Before his time at Roc Nation, he spent 14 years with BSE Global where he oversaw all sales and marketing for the company's collection of teams and properties.

Joining BSE Global in May 2005, Zavodsky held numerous positions within the company and worked his way to Chief Revenue Officer, a post he held during his final two seasons in Brooklyn. In that capacity he oversaw ticketing, suite, and sponsorship sales / service as well as the marketing department for all of BSE's venues and businesses including Barclays Center; the Brooklyn Nets, as well as its HSS Training Center and its G League team, the Long Island Nets; NYCB LIVE, home of the Nassau Veterans Memorial Coliseum; and Webster Hall.

Zavodsky's work in Brooklyn helped secure relationships with some of the top brands in the world including American Express, GEICO, Stoli, Calvin Klein, Anheuser-Busch, Infor, JetBlue, Qatar Airways, Corona, Coca-Cola, Honda, Ticketmaster, Red Bull, and Nike. He also identified and secured other nontraditional partners in the sports and entertainment industry, including GQ, Zappos, Steve Madden, Viacom, and Jackson Lewis while introducing fantasy sports into mainstream sponsorship by securing FanDuel as one of the first two major pro partnerships in that category.

Zavodsky was critical in securing New York Community Bank (NYCB) as the presenting partner for the Nassau Veterans Memorial Coliseum. He was also responsible for the naming rights partnerships for IZOD Center, Rutgers' High Point Solutions Stadium, and Ford Amphitheater at Coney Island Boardwalk.

Zavodsky attended Quinnipiac University where he earned a degree in Marketing and Psychology. He also received the Distinguished Alumni Award from his Alma Mater, the youngest recipient in University's history. He was named one of Leaders' "Leaders Under 40" in 2017, Sports Business Journal's "40 under 40" in 2016, and previously named one of Forbes Magazine's "30 Under 30" and one of Sport Pro Magazine's "10 Next." THE DETROIT PISTONS COMMUNITY & SOCIAL RESPONSIBILITY MISSION  
IS TO USE THE GAME OF BASKETBALL AS A VEHICLE FOR CHANGE THAT  
WILL INSPIRE AND IMPACT THE DETROIT COMMUNITY

THE FOUR PILLARS OF FOCUS ARE

WITH THE FLAGSHIP PROGRAM OF BASKETBALL FOR ALL  
SERVING AS THE PRIMARY COMMUNITY INITIATIVE

# BASKETBALL

★ *for All* ★

The Detroit Pistons have brought professional basketball back to Detroit. Tom Gores' vision is to put an exciting and talented team on the court and be the leader in social responsibility off the court in the Detroit area. In support of this, the Detroit Pistons launched the Basketball for All program. The goal of the program is to put basketballs in the hands of all underserved youth in Metro Detroit. But it's bigger than just giving away basketballs. It's the belief that providing safe places for children to play should be a commitment we all make and that providing every child with a basketball will encourage health and wellness to last a lifetime. Basketball should not just be a sport for some, but accessible to everyone.

## IT DOESN'T STOP THERE

Renovating courts and distributing basketballs over the course of six years is not where the commitment ends but is just the beginning. The long-term vision is to create communal gathering areas for the neighborhoods surrounding these parks for people of all ages to enjoy. This on-going commitment requires a strong bond with the City of Detroit and dedicated partners to build amazing experiences with each renovated park or basketball distributed.

Each philanthropic grant includes the opportunity to align with Detroit Pistons Community and Social Responsibility platforms, players, legends, or executives. The following organizations are partners of the Detroit Pistons Foundation during the NBA Season.

## MISSION 313

EMPLOYEE VOLUNTEER PROGRAM

Our new employee volunteer program, Mission 313, will launch this season and encourage all players, coaches and staff to dedicate at least 31.3 hours of their time and talent to the local community.

A public-facing Mission 313 page on pistons.com will be launched with this program, allowing local organizations to request volunteers for their events. Photos, recaps, and media clips will also be posted after events have concluded.

Our Data and Analytics team has simplified how to sign up for events and track employee volunteer hours. Each month, the Community and Social Responsibility team will send out an email with upcoming opportunities to volunteer and a link to sign-up. Employee volunteer hours will be logged and approved on Salesforce following each event.

We are very excited about this upcoming year and cannot wait to represent the Detroit Pistons proudly!

The "Voice of the Pistons" is the longest tenured play-by-play announcer in the State of Michigan. Blaha brings a high-energy style to go with his extensive basketball knowledge and demonstrates a true passion for Pistons basketball. His trademark colloquialisms such as, "two and twenty-two to play", "a high glass gun that goes" and "count that baby and a foul" have thrilled Pistons fans of all ages for over four decades.

Blaha, an inductee into the Michigan Sports Hall of Fame in 2008, has been the recipient of many industry awards, including the Ty Tyson Award for broadcasting excellence by the Detroit Sports Broadcasters Association in 2002 and Michigan Sports Broadcaster of the Year from the National Sportscasters and Sports Writers Association in 2003 and 2007.

Following an 18-year NBA playing career, Mahorn served as head coach of the Rockford Lightning of the Continental Basketball Association (CBA) for the 1999-00 season. He led the Lightning to a 15-7 overall record and the American Conference title, which earned them a No. 2 seed in the 2000 CBA Playoffs. Mahorn's coaching excellence was recognized in two CBA Coach-of-the-Month Awards. He then joined the coaching staff of the Atlanta Hawks under Lon Kruger during the 2001-02 season.

In 2005, Mahorn joined the Detroit Shock coaching staff, helping take the team to a seventh straight playoff appearance and third WNBA Championship.
